

ending the government shutdown pdf

From October 1 to October 17, 2013, the United States federal government entered a shutdown and curtailed most routine operations because neither legislation appropriating funds for fiscal year 2014 nor a continuing resolution for the interim authorization of appropriations for fiscal year 2014 was enacted in time. Regular government operations resumed October 17 after an interim ...

United States federal government shutdown of 2013 - Wikipedia

In United States politics, a government shutdown occurs when Congress fails to pass sufficient appropriation bills or continuing resolutions to fund federal government operations and agencies, or when the President refuses to sign such bills or resolutions into law. In such cases, the current interpretation of the Antideficiency Act requires that the federal government begin a "shutdown" of ...
