Experiencing Change in German Controlling: Management

"Controlling" is the German term for "Management Accounting". This book explores the unique characteristics of German management accounting as opposed to the the management of companies in other countries. It contains unique research taking three different German companies as case studies.

Experiencing Change in German Controlling - 1st Edition

3.6 German controlling and change All of the companies included in the research were experiencing change, and this was reflected in the changes facing the controllers, accountants and managers that we interviewed. According to the academic literature, the traditional German model of controlling is characterised by:

Experiencing change in German controlling: management

This report considers contemporary practices of German "controlling" a term which is usually translated into English as "management accounting". The research was conducted in three case study manufacturing organisations in Germany one a large private company, the second a division of an international group and the third a family firm.
