It may seem ironic to highlight general principles of happiness when Iâ€™m suggesting that the key to happiness is unique to each individual. However, in this process of differentiation, there are certain mental health principles everyone can adopt in order to better find their own sense of joy and fulfillment.

Ten Keys to Happier Living - Action for Happiness

When you tie your happiness to external factors (like other people) you aren't in the director's chair of your own life ... and who wants that? So create your own happiness with these six ways to raise your joy. 1. Write your achievements. Train your mind to find the positive by listing your achievements.

6 Ways To Create Your Own Happiness - mindbodygreen

The Oxford Happiness Questionnaire was developed by psychologists Michael Argyle and Peter Hills at Oxford University. Take a few moments to take the survey. This is a good way to get a snapshot of your current level of happiness. You can even use your score to compare to your happiness level at some point in the future by taking the survey again.
