Calculus (from Latin calculus, literally 'small pebble', used for counting and calculations, as on an abacus) is the mathematical study of continuous change, in the same way that geometry is the study of shape and algebra is the study of generalizations of arithmetic operations.. It has two major branches, differential calculus (concerning instantaneous rates of change and slopes of curves ...

Simpson was born on 30 November 1937 in Haswell, County Durham, the youngest of six children of coal miner Tom Simpson and his wife Alice (née Cheetham). His father had been a semi-professional sprinter in athletics. The family lived modestly in a small terraced house until 1943, when his parents took charge of the village's working men's club and lived above it.
