

fr d ric chopin pdf

The Portrait of Frédéric Chopin and George Sand was an 1838 unfinished oil-on-canvas painting by French artist Eugène Delacroix. Originally a double portrait, it was later cut in two and sold off as separate pieces. It showed composer Frédéric Chopin (1810–49) playing piano while writer George Sand (1804–76) sits to his right, listening and sewing (a favorite activity of hers).
