

garabandal one minute to pdf

Garabandal: One Minute to Midnight is a true story of significant importance to our times and to those who live in them. Written with clarity and insight, this book explains the importance of the Marian visions which took place at Garabandal in the early 1960s, and the role that these visions promise to play in our lives in the very near future.

Even supporting for one minute that on the subject of Garabandal we could trust human caution, this would be asking us to betray our mission. We are witnesses of facts and we testify to what we have seen, heard and touched. On this occasion, as in others, only one thing matters to us, the words and gestures of Conchita. We can do nothing about it.
