

general principles of law pdf

The general principles of European Union law are general principles of law which are applied by the European Court of Justice and the national courts of the member states when determining the lawfulness of legislative and administrative measures within the European Union. General principles of European Union law may be derived from common legal principles in the various EU member states, or ...

3. An independent judiciary is the right of every Canadian. A judge must be and be seen to be free to decide honestly and impartially on the basis of the law and the evidence, without

ETHICAL PRINCIPLES FOR JUDGES - Canadian Judicial Council

The Peelian principles summarise the ideas that Sir Robert Peel developed to define an ethical police force. The approach expressed in these principles is commonly known as policing by consent in the United Kingdom and other countries such as Canada, Australia and New Zealand. In this model of policing, police officers are regarded as citizens in uniform.
