

### **world building from the pdf**

Basic World-Building For basic world-building, start with a map. Draw your map from anything, but remember that the natural world is full of irregularities. Sometimes, drawing a continent based on the stain a leaf left on the sidewalk after a storm is better than trying to make one up yourself.

### **Magical World Builder - How to Let Go and Love Scrum**

Similar to the creation of an imaginary world, but slightly less demanding due to the existing base you have to work with, the construction of an alternate reality is a type of world-building often found in dystopian, speculative and science fiction.

### **The Ultimate Guide To World-Building: How - Writer's Edit**

World Building Questionnaire by thewritingcafe.tumblr.com ... o What is your world called? If there are regions, what are their names? What are the names of cities, towns, and villages used in the story? How does the geographical location affect this city, town, or village?

### **World Building Questionnaire - WordPress.com**

What other creatures inhabit the world? Any intelligent ones? Technology What level of technology exists on this world? Is it the same globally, or does it differ? Is it distributed by racial or economic

### **The Ultimate World Building Questionnaire**

I did a recent talk for the Writers'™ Digest Online Workshop and Annual Conference on worldbuilding, in which I basically explained how I do what I do, and led participants through an exercise in creating their own world.

### **Worldbuilding 101 | Epiphany 2.0**

It's called Storyplanner and it's got a nice template full of worldbuilding questions that might be useful. It's actually geared more towards novel writing than worldbuilding but you can still adapt it to your needs. Only thing I don't really though is that each section asks you to describe your "world's" culture, etc which I find too broad.

### **This site has a good worldbuilding template : worldbuilding**

Writing Worksheet " City Building (PDF) This worksheet contains 3 pages of questions to help bring your fictional city to life. I've always been fascinated by the way cities develop; how they evolve defences, infrastructure, boundaries, and districts.
