world transport research proceedings pdf

For the purpose of this research data was collected from a sample of thirty one container ports from the top 100 container ports as published annually by Cargo Systems journal.

Proceedings of the 9th World Conference on Transport

Transportation Research Procedia is an e-only product focused entirely on publishing high quality conference proceedings. Transportation Research Procedia enables fast dissemination so conference delegates can publish their papers in a dedicated online issue on ScienceDirect, which will then be made freely available worldwide.
