The writing process is the series of actions required to produce a coherent written text. It is a key term in the teaching of writing.

Writing process - Wikipedia

The process theory of composition (hereafter referred to as "process") is a field of composition studies that focuses on writing as a process rather than a product. Based on Janet Emig's breakdown of the writing process, the process is centered on the idea that students determine the content of the course by exploring the craft of writing using their own interests, language, techniques, voice ...
