Yesterday and Today is a studio album by the English rock band the Beatles, their ninth album released on Capitol Records and twelfth overall American release. It was originally issued only in the United States and Canada, in June 1966. Typically of the Beatles' North American discography until 1967, the album contains songs that Capitol had withheld from its versions of the band's recent EMI ...

Many American colleges offer programs of study which tag basic bachelor, master, and doctoral degrees with a particular speciality, as is common in the United Kingdom and elsewhere in the world. [citation needed] A tagged degree incorporates the name of the major into the degree title and generally requires more specialized course work than a degree with an untagged major.
