Topo Excerpted From: Road to The Nose

He started to cough in the Nose's vicinity, but the Nose did not change its position for a single moment.
"My good sir," at length Kovalev said, compelling himself to boldness, "my good sir, I'm in a difficulty."
"What do you want?" And the Nose did then turn round. "My good sir, I am in a difficulty."

The Nose / Nikolai Gogol - eBooks @ Adelaide

in children. Most nosebleeds are harmless and do not require treatment. Nosebleeds usually happen when a small blood vessel inside the nose lining bursts and bleeds. The lining of the nose has lots of tiny blood vessels, which warm the air as it enters the nose. This lining is very fragile and may break easily, causing bleeding.
