One thing blogging and good copywriting share is a conversational style, and that means itâ€™s fine to fracture the occasional rule of proper grammar in order to communicate effectively. Both bloggers and copywriters routinely end sentences with prepositions, dangle a modifier in a purely technical sense, or make liberal use of the ellipsis when an EM dash is the correct choiceâ€™all in order ...

New meta-analysis has emerged from a document published today by an independent researcher known as The Forensicator, which suggests that files eventually published by the Guccifer 2.0 persona were likely

initially downloaded by a person with physical access to a computer possibly connected to the internal DNC network. The individual most likely used a USB drive to copy the information.

The Obama Deception is a hard-hitting film that completely destroys the myth that Barack Obama is working for the best interests of the American people. The Obama phenomenon is a hoax carefully crafted by the captains of the New World Order. He is being pushed as savior in an attempt to con the American people into accepting global slavery.
